

# BERNIE STOLTZ

SEASONED MOTIVATOR, SPEAKER & ACCLAIMED COACH

*"One-of-a-kind speaker! Kept everyone in the room!"*

*"I'd love to bottle his energy! A dynamite speaker. Very motivational."*

*"Wow! Bernie tells it like it is and gets right down to business. Outstanding!"*

A seasoned motivator, public speaker, and acclaimed coach with over 25 years of business leadership in the healthcare community, Bernie Stoltz was the founder of five successful companies before co-founding Fortune Management over 20 years ago.

Bernie has conducted thousands of training programs across the country to help thousands of doctors become their personal and professional best. Bernie coaches and has provided practice management instruction at the University of California, San Francisco and The University of the Pacific, as well as The Pacific Laser Institute. In addition, Bernie is a regular contributor to many publications and speaks throughout the world.

Bernie has dedicated his life to achievement in areas of marketing, public relations, advertising, business management and principal-centered leadership.

As CEO of Fortune Management, the world's largest executive coaching organization for Doctors, Bernie leads more than 70 coaches in over 50 cities throughout the United States and Canada.
