May 2022

Dear Supporter,

Northern Nevada Dental Health Programs (NNDHP) is hosting its **20<sup>th</sup> Annual NNDHP / Joel F. Glover, DDS Charity Golf Tournament on Friday, September 23, 2022** back at the beautiful Red Hawk Golf Club in Sparks, NV. All proceeds will benefit the underserved in our community with an added beneficiary this year.

Since 1985 NNDHP has helped countless at-risk children and veterans in northern Nevada receive dental care through our generous NNDHP volunteer dental providers who donate their time and services. For nineteen years this tournament fundraiser and **donors like you** have made it possible for NNDHP to continue to coordinate life changing dental treatment for those in need. This year, as we celebrate 20 years, we are pooling our fundraising proceeds with the Joel F. Glover Memorial Foundation; providing scholarships to at-risk children in pursuing science background majors at UNR and much needed financial assistance to sports programs for Sparks High School students.

We are reaching out in hopes that we can secure your support for this year's tournament. If you don't golf but would like to support the charity, we welcome other donation opportunities such as "Friends of ...", Breakfast, Snack at the Turn, our 20th year celebratory BBQ Lunch Sponsors, Hole-in-One Sponsors, and raffle donation items for our participants, (\*see attached flyer).

Simply mail your sponsorship participation form or donation to the address listed, give us a call, or sign up online. **Northern Nevada Dental Health Programs' non-profit Tax ID# 88-0411192 and Glover Foundation #27-1514514.** If you have questions, please don't hesitate to call me at (775) 337-0296 or visit NNDHP's website at [www.nndhp.org](http://www.nndhp.org).

Last year our tournament was more successful than we could have ever anticipated, and this year we hope you want to continue to **GET OUTSIDE** and join us for a great day of golf to support our community's underserved. Thank you for your consideration of these vital non-profits; for healthy smiles and higher education opportunities to those children in need.

With Sincere Gratitude,

Lori Benven
