## “Sleep Apnea, the Enemy – Providing our Patients with Healthful Sleep”

Our Guest Presenter:

**B. Kent Smith, DDS, Diplomate-ABDSM**  
*President, American Sleep and Breathing Academy*

**Course description:** This talk will teach you why sleep is so vital, but more importantly, why sleep inefficiency is slowly killing our patients. The good news is that we can help, specifically in the area of sleep disordered breathing. In fact, dentists should be the gatekeepers for this field of medicine. You will get an overview of what our duty is, what it would take to get proficient and how to stay out of trouble.
