"Simple Digital Workflows for Making Dental Practice Impactful and Fun!"

Our Guest Presenter:

Michael Scherer, DMD, MS, FACP

Assistant Clinical Professor, Loma Linda University

Clinical Instructor, UNLV SDM

- Digital dentistry is amazing, exciting and yet can be seemingly complicated. This presentation aims to highlight simple digital workflows that allow the clinician to work with the latest in technology and complement clinical practice.
- This review course focuses on where and when to begin with a digital dentistry journey and most importantly, find places that are rewarding and fun to do!
