A DINNER PRESENTATION WITH BRIAN CHICOINE, MD HEALTH CARE FOR ADULTS WITH DOWN SYNDROME SUPPORTING INDIVIDUALS WITH DOWN SYNDROME IN RECEIVING HIGH QUALITY CARE

TUESDAY, JULY 23RD | 6-8PM | ATLANTIS CASINO RESORT SPA, RENO, NEVADA

Join us for a CME accredited presentation by Dr. Brian Chicoine, a nationally recognized leader in medical research and care pertaining to adults with Down syndrome.

The life expectancy of people with Down syndrome has doubled over the last 40 years. The number of people with Down syndrome living into adulthood has also increased significantly. In this presentation, Brian Chicoine, MD, will review the health care changes, past and present, that contributed to these changes. He will also describe differences in the prevalence of health conditions in adolescents and adults with Down syndrome compared to those without Down syndrome and discuss how these differences may affect health promotion and health care of people with Down syndrome. Additionally, Dr. Chicoine will describe the effects of bias in health care of people with Down syndrome and provide suggestions for supporting individuals with Down syndrome in receiving high-quality care.

WHO SHOULD ATTEND

All healthcare professionals in the medical community are invited to attend. In addition, families and community members are also invited to attend who do not need the CME credit.

REGISTRATION - \$50.00

This is an in-person CME event. Dinner provided. Doors open at 5:30 p.m., dinner served at 6:00 p.m., and the presentation will start at 6:15 p.m.
